CHAPTER 1 — MESSAGE FROM THE IBA PRESIDENT

Dear Boxers, Coaches, Officials and Members of the Boxing Family, it is my great pleasure to welcome you to Istanbul for the IBA President's Cup 2026.

The President's Cup marks the beginning of a new chapter in IBA competition with the launch of IBA Elite, a new high-level international competition platform created to provide athletes with regular opportunities to compete, progress and be recognised through their performance in the ring.

The 2026 edition will bring together eligible amateur and professional boxers in an open international competition, offering athletes from around the world the opportunity to compete at the highest level within the IBA sporting structure.

The President's Cup will also mark the starting point of the new IBA World Ranking Cycle. The IBA World Ranking will accompany boxers throughout

their sporting pathway, recognising consistent performance and playing an important role in qualification for future editions of the President's Cup and the IBA World Championships.

IBA Elite will also create further opportunities for sporting development. While IBA Elite and IBA Pro remain separate programmes, strong performances within IBA Elite will open opportunities for outstanding boxers to progress towards IBA Pro.

Our objective is clear: to give boxers more opportunities to compete at the highest level, to reward sporting achievement and to create a pathway in which performance matters.

Istanbul is a fitting place to begin this new chapter. The city has already welcomed the international boxing family for the IBA Women's World Boxing Championships 2022. The President's Cup 2026 will be staged across two venues, with the finals at Sinan Erdem Sports Arena.

To every boxer entering the ring, I wish you success. Compete with courage, respect your opponent and represent your team and your country with pride.

I wish all participating boxers, National Federations, coaches and team officials a successful competition and an unforgettable experience in Istanbul.

Welcome to the IBA President's Cup 2026.
Welcome to IBA Elite.

Umar Kremlev

President International Boxing Association (IBA)
