SUBJECT: Seeding for Continental Multi-Sports Games

Dear Presidents and Secretaries General,

Following Appendix C, Rule 2.1.3 of AOB Competition Rules, the seeding system for Continental Multi-Sports Games should take place only after September 2016.

However, as 3 Continental Multi-Sports Games will be held in 2015, thus the European Games, the Pan American Games and the All-Africa Games, and especially considering the fact that all WSB and APB boxers will compete together with AOB boxers for these events for the 1st time, the AIBA Executive Committee decided to apply the seeding system for these Games earlier in order to protect the quality of boxing competitions and maintain highest safety measures as possible for boxers in these Games.

Therefore, the seeding system will from now on apply for Continental Multi-Sports Games.

Please do not hesitate to contact the AIBA Headquarters (sport@aiba.org) should you have any query.

Sincerely yours,

Ho Kim
AIBA Executive Director

cc: Dr Ching-Kuo Wu, AIBA President
