EUBC DEVELOPMENT & PROJECTS

EUBC Courses

- Since new AIBA Statutes empowers National Federations and Continental Confederations with more functions
- Since we have an extreme need in advancing R&Js competence in unified system in order to have a unanimous vision of the bouts
- Since we need to improve the ability and technical culture to our valiant Coaches in order to increase the technical and tactical attitude of the boxers at all levels. If we want to continue to write unforgettable pages of the Olympic history, we must be able to upgrade this fundamental pillar of all boxing movement
- Since we have had the privilege of great managers which have always been in the avant-garde of the continental boxing movement, it is crucial to preserve our international management experience and to prepare new Managers, Administrators and Promoters in order to prepare the future leaders at National and International level.

From January 2021 EUBC plans to launch continental online/offline Courses for Coaches, R&Js, ITOs, Administrators, Managers and Promoters:

EUBC Courses

The draft roadmap is following:

- January / February - Preparation
- March / April 2021 – Coaches Course
- May / June 2021 – Referees & Judges Course
- July / August 2021 – Administrators / Managers Course
- September / October 2021 – Promoters Course
- November / December 2021 – ITOs / TDs Course
