## Official statement on the transparency of all draw and scoring processes in boxing

Dear Ladies and Gentleman,

We, SWISS TIMING, as a service provider for boxing event organisers, hereby state that the software we use for the draw and scoring processes complies with the AIBA rules and regulations, that said processes are carried out in compliance with the IOC Boxing Task Force specifications and are transparent at all times. Each result of the draw can be traced at any time and verified on the basis of the specifications.

Yours sincerely

Michael Thomasius  
Chief Technology Officer
