- 3 members of the Strategy Committee.

Each appointment is subject to further approval by the Interim Nomination Unit after vetting check.

7. Russia-Ukraine situation. Implementation of the IOC recommendations.

Before proceeding with the agenda, IBA President thanked the Directors for their valuable feedback on the previously presented points and confirmed that he will abstain from presiding the meeting, discussions and voting on the matters related to the Russia-Ukraine situation in view of conflict of interests. He temporary left the meeting.

Mr Mark Cooper, IBA consultant, outlined the IOC position on the Russia-Ukraine situation, the stance adopted by other International Federations and described the support provided to the Ukrainian team that participated at the Strandja Memorial.

The Board enquired if and to which extent the current situation affected the IBA President and ability to fulfil his obligations and whether the IBA's financial stability was in jeopardy. Mr Cooper and Mr Ramoni noted that Mr Kremlev is not personally sanctioned and continues to fulfil his tasks, including representation of IBA in its dealings with the Confederations, National Federations, national governments, international sports federations, etc. As for financial stability, while Gazprom is not currently under sanctions, the situation is being constantly monitored and the IBA Head Office is working on diversifying the IBA's resources.

A vote was proposed on

- (i) providing humanitarian assistance to the Ukraine Boxing Federation and to Ukrainian team members;
- (ii) constant review of any decision on events and athletes.

The proposal was approved by the Board.

The Board was also proposed to vote on reallocation or cancellation of events currently scheduled for Russia, including Global Boxing Cup.

The proposal was approved by the Board.

The final proposal was to vote on allowing the participation of athletes and competition officials, including R&Js, from Russia or Belarus in IBA events.

The first voting contained 4 options and did not result in the decision-making due to the lack of the absolute majority. It was therefore decided to leave only 2 options in the poll:

1. not to invite or to allow to participate athletes and officials, including R&Js, from Russia or Belarus in IBA events, unless this is not possible for organizational or legal reasons, whereby boxers and competition officials from Russia or Belarus may be allowed to participate as neutrals;
2. to invite or to allow to participate athletes and officials, including R&Js, from Russia or Belarus in IBA events as neutrals, under an IBA flag and without their national anthem.

Option 1 (not to invite or to allow to participate athletes and competition officials, including R&Js, from Russia or Belarus in IBA events, unless this is not possible for organizational or legal reasons, whereby boxers and competitions officials from Russia or Belarus may be allowed to participate as neutrals) was approved by the absolute majority of the Board members.

Mr Ted Tanner proposed a motion to vote on condemnation of the breach of the Olympic Truce caused by the Russian invasion of Ukraine, as supported by Belarus.

The proposal was approved by the Board.

No further motions followed from the Board members.

8. Confederation and membership issues

Mr Claude Ramoni presented an overview of the countries who did not submit the Annual Reporting Form as per the IBA Membership Policy.

The following steps were proposed toward National Federations, which did not submit Yearly Reports:

- Board members shall review the list of concerned National Federations and help IBA President and Head Office to identify if there are issues with the contact persons, contact details, etc;
- Once done, the IBA Head Office will grant a final deadline until March 24, 2021 to the concerned National Federations to fill-in the form;
- In the absence of answer, or in case of clearly unsatisfactory report, IBA Head Office will seek more information from the NOC, ministry of sport or the like about the situation of boxing in the country;
- Depending on the outcome of Step 3, the Board may be requested to open a formal procedure according to article 13 of the IBA Constitution, implying: (i) sending a notice of charge, (ii) granting the National Federation a deadline to answer and, possibly (iii) suspend the National Federation until a further determination is made by the Congress (that could even decide to revoke the membership)
- In any case, all necessary measures shall be undertaken by IBA to ensure that boxers affiliated to such National Federations are not prejudiced and can continue to compete.

The proposed steps were approved by the Board.

Mr Yury Zaytsev reported on the elections already conducted or scheduled in each Confederation.

Mr Claude Ramoni described the concerns related to AFBC, which still did not amend its Constitution to update it to the fully new IBA Constitution adopted in 2020 and has many issues. Mr Ramoni confirmed that

the IBA Head Office shall continue to monitor the situation and report to the Board if it appears the AFBC is unable to organise its General Meeting and elections in due time for further actions by the Board or the IBA Congress.

Mr Yury Zaytsev presented an overview of the situation with the Guinean Boxing Federation which was provisionally suspended by the AIBA Executive Committee on 12-13 July 2018, but managed to conduct the elections in 2022 under the supervision of IBA, presented the Annual Reporting Form, organizational chart and events and competitions calendar for 2022.

In view of the above, the Board was proposed to vote on lifting the suspension of the Guinean Boxing Federation due to the achieved progress.

The proposal was approved by the Board.

9. Extension of deadline for Stage 2 of the IBA Independent Investigation

Mr Yury Zaytsev stated that the initial deadline to provide the Report for Stage 2 was 31 March 2022, while Prof. McLaren requested to extend the deadline till 20 June 2022.

The Board was proposed to vote on the extension of the deadline to 20 June 2022.

The proposal was approved by the Board.

10. Amendment to the IBA Procedural Rules

Mr Claude Ramoni proposed to amend the IBA Procedural Rules due to the fact that according to the Constitution, the Ethics and Disciplinary Committees need to consist of at least three members, which is considered as a quorum. However, there are cases when due to a conflict of interests or other reasons there are not enough members available to form a panel to decide a case.

The Board was proposed to add to article 13 IBA Procedural Rules the following paragraphs:

13.2 If, further to the withdrawal of one or several member(s) of a Judicial Body, or for any other reason, a Judicial Body no longer includes enough members to constitute a panel, the Chairperson shall request the Chairperson of the other Judicial Body to provide one of its members to fill-in the vacancy and constitute a panel.

13.3 If it is the Chairperson who is unavailable, then a member of the Judicial Body appointed by the Chairperson, or the Chairperson of the other Judicial Body, shall fill-in the vacancy.

The proposal was approved by the Board.

11. Additional business

The Board was reminded that a Conflict of Interest Declaration Form shall be provided by 31 March at the latest, as per Exhibit to the Conflict of Interests Policy.

12. Decision regarding the information disclosure after the meeting

The Board has accepted that, except for the below all other decisions can be made public:

For as long as candidates to the Audit, Finance and Strategy Committees have not successfully passed the eligibility check, their names shall not be released yet, but only once eligibility checks have been completed.

No information about the National Federations that failed to provide annual reports shall be released for the time being.

13. Closing remarks by IBA President

Mr Umar Kremlev thanked the Board for their work and support and wished everybody to stay safe and in good health.
