

IBA Licensed drinks bottle with patent-pending loop handle to fit any size ounce gloves. Provides a more reliable and faster pick up, ensuring maximum hydration for ALL big gloved sports!

This ergonomically designed counterbalance bottle ensures steady control with a one-way bite valve to ensure you never lose a drop!

The wider base ensures it always sits upright when placed down and the narrow centre makes it easy to lift and hold when without gloves.

Liquid intake is easily tracked via water level markers positioned on the rear of the bottle.
