“IT’S ALL ABOUT BOXING”

LET’S JOIN TOGETHER AND TAKE OLYMPIC BOXING FORWARD

With my passion and deep Boxing background within the Olympic Boxing, my long-time connection to the Boxing grassroots across the world, added with my commercial mindset and business understanding, and least my documented good results in top management performance, especially within the area of Good Governance culture and structure.

I am quite sure, that I within a short period, with hard and dedicate teamwork, would be able to motivate and achieve sustained value-based long terms results, with passion and an open mind attitude to all members elected to the IBA Board of Directors.

MANIFESTO

Main drivers and focus areas for my candidature

- Good Governance Culture – from the top of IBA to the Grassroots of Olympic Boxing
- Exploring Diversity unconditional – must always be a strength and value of IBA
- More respect to Grassroot and Volunteers in Olympic Boxing across the World
- Price Money & Money Awards must be rewarded to the whole value chain of Olympic Boxing
- Develop, restore, and renew relationship to external partners including IOC
- Take involvement of National Federations in the decision-making process on all important key points, to the next level
- Equal opportunities for all National Federations / Confederations
- Better understanding and insight on National Federations daily issues, identified through online surveys
- Development of value-based events and programs for Olympic Boxing across all stakeholders in our beloved sports
- Dedicate IBA support to motivate National Federation, to hold International Tournaments with the passion to promote and develop Olympic Boxing for all
- IBA Championships and IBA Events to be hosted equally around the World

Cross my fingers for your vote to support my candidacy. I’ll guarantee you hard dedicated teamwork for Olympic Boxing.

Thanks for your time.

Yours in Boxing

Lars Brovil
