To: Team Delegations registered in Eindhoven Box Cup

Re: Participation in Eindhoven Box Cup

Dear National Federations,  
Dear participants of the Eindhoven Box Cup,  
Dear friends,

The Dutch Boxing Federation acknowledges receipt of the letter from the EUBC President, dated May 24, 2023, which notified European National Boxing Federations that the Eindhoven Box Cup will not be sanctioned by the EUBC. Furthermore, it stated that the event will be removed from the EUBC calendar and the appointed Technical Delegate has been recalled.

With this letter, the Dutch Boxing Federation and the Local Organizing Committee of the Eindhoven Box Cup would like to assure you that the event will proceed as an international tournament, without any alterations to the timeline or conditions specified in the initial invitation letter. In accordance with articles 1.4 and 1.5 of the IBA Technical and Competition rules, we have already made arrangements for an appropriately certified non-Dutch Technical Delegate to supervise the Eindhoven Box Cup and ensure compliance with the Technical and Competition rules.

We reiterate our eagerness to welcome your delegations to Eindhoven very soon. We are fully prepared to host another edition of the largest international boxing competition in the Benelux region, with over 20 National Federation delegations already registered.

We would like to emphasize that there are no restrictions for suspended National Federations regarding hosting competitions outlined in the IBA Constitution, IBA Technical and Competition Rules, or the newly adopted Rules on Participation in Competitions for Boxers and Coaches Affiliated with Suspended NFs. Moreover, Article 13.4 of the IBA Constitution obliges the IBA to "undertake any measures it deems necessary to ensure that Boxers and Coaches affiliated with any suspended National Federation are not deprived of their right to participate in Competitions under their national flag."

Finally, we confirm that the Eindhoven Box Cup is fully financed by the Dutch side and will fully comply with the sanctions and recommendations of the IOC.

We eagerly look forward to welcoming you to the Netherlands and are prepared to address any questions you may have.

Best regards,

Eindhoven Box Cup Director
