**Subject:** Registration of boxers from IBA resigned USA Boxing to IBA Sanctioned Grand Prix in Czech Republic by TD Susanne Karrlander

Opening remarks were made by Chris Roberts. Competition Committee autonomy and participation in IBA work processes has been emphasised. It has been suggested that not only boxers but other officials (R&Js, ITOs) from the resigned NF shouldn't be included in any of IBA owned and/or sanctioned events. Issues related to insurance and organisation rules and codes has been brought up.

Member Phillip Goodes underlined TD Susanne Karrlander's position regarding warnings from IBA not to include any boxers yet her unresponsive behaviour.

Chair Omar Aljabri iterated TD Karrlander's choice to include boxers of resigned NF and unresponsive behaviour as violation of IBA's Code of Conduct. Such action's possible future effects have been brought up.

Roberts reiterated importance of Competition Committee's recommendation on such matters to support BoD to make a decision. Recommended Competition Committee to contact Karrlander for her position on the matter and to investigate possible violations to IBA Rules & Codes within 48hrs to compile a report.

Chair Aljabri and Member Goodes agreed to compile the report and present it in time.

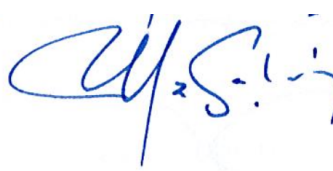

Committee Meeting finalised by agreeing to meet after MWCH 2023 Tashkent.
